

1,000 Foot Expandable Indoor/Outdoor Wireless Intercom

These 1000 foot **TOTALLY** wireless - battery operated home intercom system units provides you the ability to easily monitor a loved one who may need you during the night, listen in to a baby's room or allow communication in an office - they are an excellent solution for room to room monitoring. An excellent solution for caregivers - no more ringing the bell for assistance or constant check-ins making sure everything is ok.

Only \$139.99 + Sales Tax /Shipping

*Price subject to change without notice
Item # **ats4545**

30-day return period – 1 year Manufacturer Warranty

HOW IT WORKS:

- Press Talk to turn intercom on
- Press Volume Down to turn intercom off
- Press and hold Talk button to talk, release when finished talking
- Expandable up to 12 units per network
- Conference Mode - allows all intercoms to participate in a conversation - must be set to same channel or the paging channel set to Conference Mode - Set Dipswitch #2 to UP position
- Monitor Mode - used to monitor noise in a specific room - press Monitor button until tone is heard. Must select specific channel for one on one listening in Monitor Mode. Press Talk button to exit Monitor Mode
- Voice Activation Mode (VOX) - allows a call to be answered without pressing the Talk button. Press Dipswitch #1 to UP position. While in VOX mode, a call may be initiated by pressing the Talk button
- *No more shouting from room to room*
- *Communicate two-way or one-way with audio monitoring*
- *With a range of 1000 feet it should cover the area needed- A great way to monitor someone in another room without having to walk back and forth.*
 - *Excellent sound clarity*
 - *Affordable solution to a communication problem*
 - *No installation required - TOTAL wireless and battery operated (does have a/c adapter jack but adapter NOT INCLUDED)*
 - *Simply synch all intercom units, setting them to the same channel frequency*

Additional Intercom
