Call Center

Living independently is the desire of most individuals. However there are times when living alone can mean there is nobody to assist you during an emergency.

Safety & Peace-of-mind are just a call away.....

Local Emergency Services

What if your 'Friends' are not available but you don't need to call 911?

Your current alert system that calls 'Friends and Family' does a great job but there may be times that your friends are not available; Vacations, Out of Town, at 2 o'clock in the morning. Wouldn't it be great to know that someone will always be there if you do need assistance? *AlwaysThere4U*[™] can be there.

An inexpensive way to get Professional assistance 24 hours a day without involving 911 unless you need to.

Now you don't have to go out and buy a monitored medical alert system. With *AlwaysThere4U*, you simply program your existing system to phone our call center as one of your 'emergency contacts' and you are covered. *AlwaysThere4U*[™] assures you that someone will be there to take a call.

Once you connect with the Care Center and it is decided that emergency services are needed the Care Center will contact 911 or other services on your behalf based on your need.

Notify 'Who' you want 'How' you want.

With *AlwaysThere4U*™, the Care Center will optionally contact up to 3 personal contacts to let them know that you needed assistance. This is all totally under your control. You decide who you want contacted and when.

Monitoring

two way voice Medical Alarm Monitoring services provide peace of mind, and an independent lifestyle to users in the knowledge that fast and professional assistance is merely the touch of a button away.

For increased independence, security, peace of mind, or just reassurance, we're there for you at the touch of a button.
