Door Knob Adapter- Handle Lever

Convert the hard to grip round handle to one with a lever that is easy to open!

Have you noticed that hospital doors have handles?
They do this for a reason. They are easier to open.
Get the extender that installs over your existing door handle and converts it to a lever.

Turn any doorknob into a door lever that can be opened with a simple touch of the handle.

For Left or Right Hand Use.

2 Adapters Are Included At This Price.

A great solution to that hard to open door handle.

Arthritis?

Is the door knob slippery?
Is the door knob just too hard to open?
This is the solution!
Great for all doors; inside and outside.
Installation is such a breeze.
5" (12.7 cm) extension handle converts a doorknob into a door lever providing extra leverage for people with limited hand function.

The Extender fits over a standard doorknob and allows complete access to keyholes.

A cord or string can be inserted through the unique handle slot, making doorknobs easier to access for people with limited reach.

Can be installed using only a screwdriver - no special tools required. Easy to clean.
